

The Abraham's House

Jerusalem

Welcome

For over fifty years, the Abraham's House has been open to one and all. Located in East Jerusalem's Ras El-Amud quarter, facing the Old City, it is devoted to welcoming pilgrims of all religions, particularly those most in need.

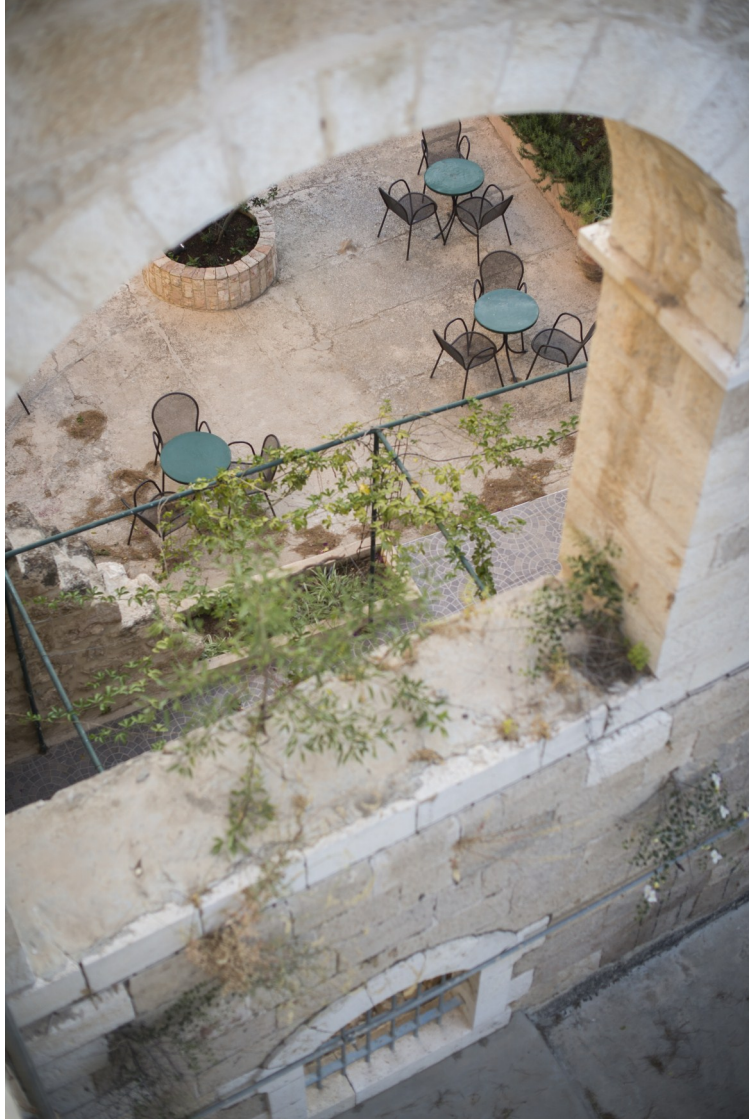

As part of its mission, the Abraham's House encourages the exchange between those engaged in the promotion of peace and justice in Palestine and Israel and is a training and retreat center.

As a place of welcome and meeting, supported by volunteers, the Abraham's House is driven by the aims of Secours Catholique /Caritas France.

« A cocoon of kindness and conviviality ». Alain

« I just feel so good here, and your smile and respect have a lot to do with it. ». Aïcha

« Having walked 7013 kms through 14 countries, I can say that the House of Abraham offers pilgrims peace ». Laurent

A large, multi-story stone building with arched windows and a blue roof, surrounded by trees and a paved area. The building is constructed from light-colored stone blocks and features several arched windows with blue frames. A blue metal railing runs along the top edge of the building. The building is set against a clear blue sky and is surrounded by lush green trees. In the foreground, there is a paved area with shadows cast by the trees.

« May the Abraham's House continue its mission of solidarity, fraternity and peace so that the Gospel of Joy continues to shine in this place of hospitality ».
Pope Francis, 2014.
